

# VULTURE

- Modern streamline cutting shape with classic 1911 retro style, BLE-Vulture with matte black surface treatment not only has an exquisite appearance but also has an excellent internal design.
- With the fixed barrel design plus the adjustable short stroke trigger and short travel slide stopper, the combination will give the user a brand new fast shooting experience.
- Hardening all-steel fire control module and Japanese-made SUS stainless steel sear spring, which is compatible with TM specifications.
