

BLE-BM19

- ▶ CNC precision machined slide that adequately performs to operate unhindered with low drag.
- ▶ ICS's newly developed REVO Efficient Gas Releasing Valve and REVO Quantitative Gas Injection Valve can greatly improve the gasification performance and provide supreme durability, that 80 rounds can be fired once you completely filled a magazine!
- ▶ The stock equipped 6.03 skinpassed inner barrel can effectively increase the muzzle velocity and accuracy, and also come along with luminous sights to improve nocturnal shooting capability.
